(INCORPORATED IN THE KINGDOM OF BELGIUM)

Under the Euro Medium Term Note Programme (the "Programme") FORTIS LUXEMBOURG FINANCE S.A. (the "Issuer"), subject to compliance with all relevant laws, regulations and directives and subject to obtaining any appropriate official or other consents, may from time to time issue outside Luxembourg its Euro Medium Term Notes (the "Notes"). The Notes will be guaranteed on a subordinated or unsubordinated basis by Fortis Bank nv-sa (the "Guarantor"). The aggregate principal amount of Notes outstanding will not at any time exceed U.S.\$3,000,000,000 (or the equivalent in other currencies), as calculated by reference to the aggregate principal amount of the Notes.

The Notes will be issued on a continuous basis. Notes will be issued in series (each a "Series") having one or more issue dates and the same maturity date (if any), bearing interest (if any) on the same basis and at the same rate and on terms otherwise identical. The length of interest periods, and the rate of interest in respect thereof, may differ from the length, and the rate of interest in respect of subsequent or, as the case may be, preceding interest periods. Each Series may be issued in tranches (each a "Tranche") on different issue dates. The specific terms of each Series will be set forth in a pricing supplement to this Offering Circular (a "Pricing Supplement") which will contain the information described under "General Information". The Issuer may redeem the Notes if certain changes in Luxembourg or Belgian taxation law occur or, if the Pricing Supplement issued in respect of any Series so provides, in the circumstances set out in it. See "Terms and Conditions of the Notes — Redemption, Purchase and Options".

The Notes will be offered by the Issuer through Fortis Bank nv-sa, Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Deutsche Bank AG London, Goldman Sachs International, Merrill Lynch International, Mizuho International plc, J.P. The Issuer or the Dealers may reject any offer as a whole or, subject to the terms of such offer, in part. Dealers may also purchase Notes on their own behalf. An issue of Notes may also be jointly and severally underwritten by two or more Dealers. See "Plan of Distribution".

Application has been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be listed on the Luxembourg Stock Exchange during the period of 12 months after the date hereof.

Each Tranche of Notes in bearer form will, unless otherwise provided on the Pricing Supplement, initially be represented by a temporary global Note which will be deposited on the issue date with a common depository on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (the "Euroclear Operator") and/or Clearstream Banking, société anonyme, Luxembourg ("Clearstream, Luxembourg") and/or any other relevant clearing system. Interests in temporary global Notes will be exchangeable for interests in permanent global Notes (together with any temporary global Note, the "Global Notes") or, if so provided in the relevant temporary Global Note, for definitive Notes in bearer or registered form after the date falling 40 days after the completion of distribution of the relevant Tranche upon certification as to non-U.S. beneficial ownership in the manner and upon compliance with the procedures described under "Summary of Provisions relating to Global Notes". Interests in a permanent Global Note will be exchangeable for definitive Notes in bearer form or registered form, in each case as described in "Summary of Provisions relating to Global Notes".

*In the case of Perpetual Notes Guaranteed on a Subordinated Basis only, payments of principal and Interest are conditional upon the Guarantor being solvent at the time of payment and in the event of the winding-up of the Issuer, the Guarantor shall become the principal debtor and the Noteholders shall cease to have any rights or claims against the Issuer, as more fully described under "Terms and Conditions of the Notes — Status and Guarantee" and "Terms and Conditions of the Notes — Events of Default".

Notes will be issued in series (each a “Series”) having one or more issue dates and the same maturity date (if any), bearing interest (if any) on the same basis and at the same rate and on terms otherwise identical. The length of interest periods, and the rate of interest in respect thereof, may differ from the length, and the rate of interest in respect of subsequent or, as the case may be, preceding interest periods. Each Series may be issued in tranches (each a “Tranche”) on different issue dates. The specific terms of each Series will be set forth in a pricing supplement (a “Pricing Supplement”) based on the form included in the Offering Circular dated 5 September 2003.

(the “Issuer”) Fortis Bank nv-sa, Banque Générale du Luxembourg, S.A. as fiscal agent (the “Fiscal Agent”), registrar (the “Registrar”), principal paying agent (the “Principal Paying Agent”), transfer agent (the “Transfer Agent”) and calculation agent (the “Calculation Agent”), Fortis Bank nv-sa as alternative principal paying agent (the “Alternative Principal Paying Agent”) and Citibank, N.A. as paying agent (together with the Principal Paying Agent and any additional or other paying agents in respect of the Notes from time to time appointed, the “Paying Agents”) and as transfer agent (together with the Transfer Agent referred to above and any additional or other transfer agents in respect of the Notes from time to time appointed, the “Transfer Agents”). For the purposes of these Conditions, “Principal Paying Agent” means, in relation to any series of Notes, the Fiscal Agent or the Principal Paying Agent specified above or the Alternative Principal Paying Agent, as specified on this Note. The initial Calculation Agent (if any) is specified on this Note. The Noteholders (as defined below), the holders of the coupons (the “Coupons”) appertaining to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the instalment receipts (the “Receipts”) appertaining to the payment of principal by instalments (the “Receiptholders”) are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement are available for inspection at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes which are specified to be Exchangeable Bearer Notes) in the denomination of the Denomination(s), in registered form (“Registered Notes”) in amounts of the Denomination or an integral multiple thereof (“Authorised Denominations”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) and, in each case, serially numbered.

Bearer Notes are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Notes which do not bear interest in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Any Bearer Note the principal amount of which is redeemable in instalments is issued with one or more Receipts attached.

Title to the Bearer Notes and the Receipts, Coupons and Talons appertaining thereto shall pass by delivery. Title to the Registered Notes shall pass by registration in the Register which the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement; and an up-to-date copy of the Register shall be kept at the registered office of the Issuer all changes in the inscriptions in the Register being notified and made available to the Issuer. Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as the absolute owner of such Note, Receipt, Coupon or Talon, as the case may be, for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Note, Receipt, Coupon or Talon shall be overdue and notwithstanding any notice of ownership, theft or loss thereof or any writing thereon made by anyone.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note,

Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them on this Note, the absence of any such meaning indicating that such term is not applicable to this Note.

No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.

2. Exchanges of Bearer Notes and Transfers of Registered Notes

(a) Exchange of Bearer Notes

Subject as provided in Condition 2(e), Exchangeable Bearer Notes may be exchanged for the same aggregate principal amount of Registered Notes of an Authorised Denomination at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of the Registrar or any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Denomination may not be exchanged for Bearer Notes of another Denomination. Bearer Notes which are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) Transfer of Registered Notes

A Registered Note may be transferred in whole or in part in an Authorised Denomination upon the surrender of the Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. In the case of a transfer of part only of a Registered Note a new Registered Note in respect of the balance not transferred will be issued to the transferor.

(c) Delivery of new Registered Notes

Each new Registered Note to be issued upon exchange of Exchangeable Bearer Notes or transfer of Registered Notes will, within three business days (being a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Transfer Agent or the Registrar to whom such request for exchange or transfer shall have been delivered) of receipt of such request for exchange or form of transfer, be available for delivery at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom such delivery shall have been made or, at the option of the holder making such delivery as aforesaid and as specified in the relevant request for exchange or form of transfer, be mailed at the risk of the holder entitled to the new Registered Note to such address as may be specified in such request for exchange or form of transfer.

(d) Exchange free of charge

Exchange of Notes on registration or transfer will be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require) in respect of any tax or other governmental charges which may be imposed in relation to it.

(e) Closed periods

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for a Registered Note (i) during the period of 15 days ending on the due date for any payment of principal on that Note, (ii) during the period of 15 days prior to any date on which Notes may be redeemed by the Issuer at its option pursuant to Condition 6(e) or (iii) after any such Note has been drawn for redemption in whole or in part. An Exchangeable Bearer Note called for redemption may, however, be exchanged for a Registered Note which is simultaneously surrendered not later than the relevant Record Date.

3. Status and Guarantee

(a) Status of Notes

The Notes constitute direct, unsubordinated, unsecured, unconditional and general obligations of the Issuer and rank *pari passu* without any preference among themselves and at least equally with all other present and future unsecured and unsubordinated indebtedness, including guarantees and other obligations of a similar nature, of the Issuer.

(b) *Senior Guarantee*

This Condition 3(b) is applicable in relation to Notes being guaranteed on an unsubordinated basis (“*Senior*”).

The Guarantor has, by the guarantees endorsed on the Notes and, in the case of the Registered Notes, contained in the Deed of Covenant (the “*Guarantees*”), unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due from the Issuer under the Notes and the Receipts and Coupons relating to them (including any additional amounts payable under Condition 8 below), when and as the same shall become due and payable, whether by declaration or acceleration or otherwise.

The Guarantees constitute direct, unconditional, irrevocable, unsubordinated and (subject to the provisions of Condition 4 below) unsecured obligations of the Guarantor and rank *pari passu* (subject to mandatorily preferred debts under applicable laws) equally and rateably with all other present and future outstanding unsecured and unsubordinated obligations of the Guarantor.

(c) *Senior Subordinated Guarantee*

This Condition 3(c) is applicable in relation to Notes to which both the following conditions apply, namely (i) the Notes have a Maturity Date and (ii) the Notes are being guaranteed on a subordinated basis (“*Dated Notes Guaranteed on a Subordinated Basis*” or “*Senior Subordinated*”).

The Guarantor has, by the guarantees endorsed on the Notes and, in the case of the Registered Notes, contained in the Deed of Covenant (the “*Guarantees*”), unconditionally and irrevocably guaranteed, on a subordinated basis, the due and punctual payment of all amounts due from the Issuer under the Notes and the Receipts and Coupons relating to them (including any additional amounts payable under Condition 8 below) when and as the same shall become due and payable, whether by declaration or acceleration or otherwise.

As more fully described in the Guarantees, the obligations of the Guarantor in respect of the Guarantees constitute senior subordinated obligations of the Guarantor. Accordingly, in the events specified in the Guarantees, the liabilities of the Guarantor under or pursuant to the Guarantees shall not be required to be satisfied until satisfaction of all indebtedness of the Guarantor to the depositors and Senior Creditors or the amount necessary for that purpose shall have been deposited in consignment. As more fully described in the Guarantees, “*Senior Creditors*” means all present and future unsubordinated creditors of the Guarantor.

(d) *Junior Subordinated Guarantee*

This Condition 3(d) is applicable in relation to Notes to which both the following conditions apply, namely (i) the Notes do not have a Maturity Date and (ii) the Notes are guaranteed on a subordinated basis (“*Perpetual Notes Guaranteed on a Subordinated Basis*” or “*Junior Subordinated*”).

The Guarantor has, by guarantees endorsed on the Notes and, in the case of the Registered Notes, contained in the Deed of Covenant (the “*Guarantees*”), as primary obligor guaranteed, on a subordinated basis, the due and punctual payment of all amounts payable by the Issuer on or in respect of the Notes and the Receipts and Coupons relating to them (including any additional amounts payable under Condition 8 below) when and as the same shall become due and payable, whether by declaration or acceleration or otherwise.

The Guarantees constitute direct, unsecured and junior subordinated obligations of the Guarantor, conditional as described below, and rank (i) *pari passu* without any preference among the other Guarantees of the Notes, (ii) junior to all present and future unsecured obligations of the Guarantor which are or are expressed to be subordinated to the unsecured, unsubordinated obligations of the Guarantor but not further or otherwise (“*Senior Subordinated Obligations*”), (iii) at least equally and rateably with all other present and future obligations of the Guarantor which rank or are expressed to rank junior to the Senior Subordinated Obligations and (iv) in priority to the rights and claims of holders of all classes of equity (including holders of preference shares (if any)) issued by the Guarantor, subject to mandatory provisions of Belgian law.

Claims in respect of the Guarantees are subordinated to the claims of Senior and Subordinated Creditors (as defined below), including holders of Dated Notes Guaranteed on a Subordinated Basis, and payments of principal and interest by the Issuer in respect of Perpetual Notes Guaranteed on a Subordinated Basis will be conditional upon the Guarantor being solvent at the time of payment by the Issuer and no principal or interest shall be due and payable in respect of Perpetual Notes Guaranteed on a Subordinated Basis except to the extent that (assuming a payment was then due by the Guarantor) the Guarantor could make such payment in whole or in part, rateably with payments in respect of Other *Pari Passu* Claims (as defined below), and still be solvent immediately

thereafter. For the purposes of these Conditions the Guarantor shall be solvent if (i) it is able to pay its debts as they fall due and (ii) its Assets exceed its Liabilities (in each case as defined below) (other than its Liabilities to persons who are not Senior and Subordinated Creditors). A report as to the solvency of the Guarantor by two directors of the Guarantor or (if the Guarantor is in winding-up, liquidation or bankruptcy) the liquidator of the Guarantor, shall in the absence of proven error be treated and accepted by the Issuer, the Guarantor, the Noteholders, and the Couponholders and the Receiptholders (if any) as correct and sufficient evidence thereof.

For the purposes of these Conditions, “*Senior and Subordinated Creditors*” means, in relation to the Guarantor, all creditors of the Guarantor (including any holders of Dated Notes Guaranteed on a Subordinated Basis) other than creditors whose claims are in respect of: (i) any class of equity (including preference shares), subject to mandatory provisions of Belgian law, or (ii) unsecured, subordinated obligations which are or are expressed to be subordinated to the Senior Subordinated Obligations of the Guarantor or (iii) any other obligations which rank or are expressed to rank either *pari passu* with or junior to the claims of the holders of Perpetual Notes Guaranteed on a Subordinated Basis and Coupons and Receipts (if any) appertaining thereto under the Guarantees; “*Assets*” means the total assets of the Guarantor and “*Liabilities*” means the total liabilities of the Guarantor, each as shown by the latest published audited balance sheet of the Guarantor but adjusted for contingencies and for subsequent events, all valued in such manner as such directors or liquidator (as the case may be) may determine; and “*Other Pari Passu Claims*” means claims of creditors of the Guarantor which are subordinated so as to rank or are expressed to rank *pari passu* with the claims of the holders of Perpetual Notes Guaranteed on a Subordinated Basis and Coupons and Receipts (if any) appertaining thereto under the Guarantees.

If the Guarantor would not otherwise be solvent for the purposes of these Conditions, the amount of the principal and sums which would otherwise be payable as interest on Perpetual Notes Guaranteed on a Subordinated Basis will be available to meet the losses of the Guarantor.

4. Negative Pledge

This Condition 4 is not applicable to Dated Notes Guaranteed on a Subordinated Basis or Perpetual Notes Guaranteed on a Subordinated Basis.

So long as any of the Notes, Receipts or Coupons remains outstanding (as defined in the Agency Agreement), neither the Issuer nor the Guarantor will create or permit to exist any mortgage, lien (other than liens arising by operation of law), pledge, charge or other security interest upon the whole or any part of its present or future assets or revenues (i) in the case of the Issuer, to secure any loan debt, guarantee or other obligation or (ii) in the case of the Guarantor, to secure any indebtedness represented by, or in the form of, bonds, notes, debentures or other securities or any guarantee or indemnity from the Guarantor in respect of such indebtedness of others, in each case unless the Notes, Receipts and Coupons share in and are equally and rateably secured by such mortgage, lien, pledge, charge or other security interest, and the instrument creating such mortgage, lien, pledge, charge or other security interest expressly so provides.

5. Interest

(a) Interest Rate on Fixed Rate Notes and Accrual

Each Note bears interest on its outstanding principal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Interest Rate payable (subject, in the case of Perpetual Notes Guaranteed on a Subordinated Basis, to Condition 3(d)) in arrear on each

Interest Payment Date provided (in the case of Perpetual Notes Guaranteed on a Subordinated Basis) that such date is a Compulsory Interest Payment Date in which case interest shall be payable in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date.

In the case of Perpetual Notes Guaranteed on a Subordinated Basis, on any Optional Interest Payment Date there may be paid (if the Issuer so elects but subject to Condition 3(d)) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer or the Guarantor for any purpose. Any interest not paid in respect of Perpetual Notes Guaranteed on a Subordinated Basis on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute “*Arrears of Interest*” which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time upon the expiration of not less than seven days notice to such effect given to the Noteholders in accordance with Condition 14, but all Arrears of Interest on all Notes outstanding shall (subject to Condition 3(d)) become due in full on whichever is the earliest of (i) the Interest Payment Date

immediately following the date upon which a dividend is next declared or paid on any class of share capital of the Guarantor, (ii) the date set for any redemption pursuant to Condition 6(b) or (e) and (iii) the date that an order is made or an effective resolution is passed for the winding-up, liquidation or bankruptcy of the Guarantor or the commencement of judicial composition proceedings (concordat judiciaire) in respect of the Guarantor. If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged (subject to Condition 3(d)) to do so upon the expiration of such notice. Where Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall bear interest at the rate applicable to the Notes.

Interest will cease to accrue on each Note on the due date for redemption unless, upon due presentation payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before judgment) at the Interest Rate in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(b) *Business Day Convention*

If any date which is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Relevant Business Day, then, if the Business Day Convention specified is (i) the Floating Rate Convention, such date shall be postponed to the next day which is a Relevant Business Day unless it would thereby fall into the next calendar month, in which event (A) such date shall be brought forward to the immediately preceding Relevant Business Day and (B) each subsequent such date shall be the last Relevant Business Day of the month in which such date would have fallen had it not been subject to adjustment, (ii) the Following Business Day Convention, such date shall be postponed to the next day which is a Relevant Business Day, (iii) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Relevant Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Relevant Business Day or (iv) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Relevant Business Day.

(c) *Interest Rate on Floating Rate Notes*

If the Interest Rate is specified as being Floating Rate, it will be determined by the Calculation Agent on the basis of the following provisions:

(i) At or about the Relevant Time on the Interest Determination Date in respect of each Interest Accrual Period, the Calculation Agent will:

(A) in the case of Notes which specify that the Primary Source for Interest Rate Quotations shall be derived from a specified page, section or other part of a particular information service (each as specified on such Notes), determine the Interest Rate for each Interest Accrual Period which shall, subject as provided below, be (x) the Relevant Rate so appearing in or on that page, section or other part of such information service as aforesaid (where such Relevant Rate is a composite quotation or interest rate per annum or is customarily supplied by one entity) or (y) the arithmetic mean (rounded, if necessary, to the next higher one-hundred thousandth of a percentage point) of the Relevant Rates of the persons at the time whose Relevant Rates so appear in or on that page, section or other part of such information service as aforesaid, in any such case in respect of euro-currency deposits in the relevant currency for a period equal to the Specified Duration and as adjusted by the Spread or Spread Multiplier (if any) or by the Maximum or Minimum Interest Rate; and

(B) in the case of Notes which specify that the Primary Source for Interest Rate Quotations shall be the Reference Banks specified on such Notes and in the case of Notes falling within paragraph (i)(A) above but in respect of which no Relevant Rate appears at or about such Relevant Time or, as the case may be, which are to be determined by reference to quotations of persons appearing in or on the relevant page, section or other part of such information service as aforesaid but in respect of which less than two Relevant Rates appear at or about such Relevant Time, request the principal offices in the Relevant Financial Centre (or, in the case of Notes denominated in euro, the principal offices in the euro-zone selected by the Calculation Agent) of each of the Reference Banks specified on such Notes (or, as the case may be, any substitute Reference Bank appointed from time to time pursuant to paragraph (g) below) to provide the Calculation Agent with its Relevant Rate quoted to leading banks for euro-currency deposits in the relevant currency for a period equivalent to the Specified Duration. Where this paragraph (i)(B) shall apply, the Interest Rate for the relevant Interest Accrual Period shall, subject as provided below, be the arithmetic

mean (rounded, if necessary, to the next higher one-hundred thousandth of a percentage point) of such Relevant Rates as adjusted by the Spread or Spread Multiplier (if any) or by the Maximum or Minimum Interest Rate, as calculated by the Calculation Agent.

(ii) If, at or about the Relevant Time on any Interest Determination Date where the Interest Rate falls to be determined pursuant to paragraph (i)(B) in respect of a Note, two or three only of such Reference Banks provide such relevant quotations, the Interest Rate for the relevant Interest Accrual Period shall, subject as provided below, be determined as aforesaid on the basis of the Relevant Rates quoted by such Reference Banks.

(iii) If, at or about the Relevant Time on any Interest Determination Date where the Interest Rate falls to be determined pursuant to paragraph (i)(B), only one or none of such Reference Banks provide such Relevant Rates, the Interest Rate for the relevant Interest Accrual period shall be, subject as provided below, whichever is the higher of:—

(A) the Interest Rate in effect for the last preceding Interest Accrual Period to which paragraphs (i)(A) or (B) or (ii) above shall have applied (after readjustment for any difference between any Spread or Spread Multiplier applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period); and

(B) the rate per annum (expressed as a percentage) which the Calculation Agent determines to be the arithmetic mean (rounded, if necessary, to the next higher one-hundred thousandth of a percentage point) of the Relevant Rates in respect of the relevant currency which banks in the principal financial centre of the country of such currency (or, in the case of Notes denominated in euro, in such financial centre or centres in the euro-zone selected by the Calculation Agent) selected by the Calculation Agent (after consultation with the Issuer and the Guarantor) are quoting at or about the Relevant Time on the relevant Interest Determination Date for a period equivalent to the Specified Duration to leading banks carrying on business in that principal financial centre (or, in the case of Notes denominated in euro, in such financial centre or centres in the euro-zone selected by the Calculation Agent), as adjusted by the Spread or Spread Multiplier (if any) except that, if the banks so selected by the Calculation Agent are not quoting as aforesaid, the Interest Rate shall be the Interest Rate specified in paragraph (iii)(A) above.

(d) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph (d), “*ISDA Rate*” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent under an interest rate swap transaction if the Fiscal Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions as amended and updated as at the issue date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the “*ISDA Definitions*”) and under which:

(1) the Floating Rate Option is as specified in the applicable Pricing Supplement;

(2) the Designated Maturity is a period specified in the applicable Pricing Supplement; and

(3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“*LIBOR*”) for a currency, the first day of that Interest Period, (ii) if the applicable Floating Rate Option is based on the euro-zone inter-bank offered rate (“*EURIBOR*”), the first day of that Interest Period or (iii) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this sub-paragraph (d), “*Floating Rate*”, “*Calculation Agent*”, “*Floating Rate Option*”, “*Designated Maturity*” and “*Reset Date*” have the meanings given to those terms in the ISDA Definitions.

(e) *Minimum/Maximum Interest Rates, Spreads and Spread Multipliers*

If any figure is expressed to be as adjusted by a Spread or Spread Multiplier, such adjustment shall be made by adding or subtracting any Spread specified on this Note or multiplying by any Spread Multiplier specified on this Note, subject always to the next paragraph.

If a Maximum or Minimum Interest Rate is specified on this Note, then the Interest Rate shall in no event exceed the maximum or be less than the minimum.

(f) *Calculation*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Interest Rate and the outstanding principal amount of such Note by the Day Count Fraction and rounding, if necessary, the resultant figure to the nearest minimum unit of the relevant currency (half of such unit being rounded upwards). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period will be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(g) *Determination and Publication of Interest Rate and Interest Amounts by the Calculation Agent*

If a Calculation Agent is provided for on this Note, it will, as soon as practicable after the Relevant Time on each Interest Determination Date, determine the Interest Rate and calculate the amount of interest payable (the “*Interest Amounts*”) in respect of each Denomination of the Notes (in the case of Bearer Notes) and the minimum Denomination (in the case of Registered Notes) for the relevant Interest Accrual Period and cause the Interest Rate and the Interest Amounts for each Interest Period and the relevant Interest Payment Date to be notified to the Principal Paying Agent, the Issuer, the Guarantor, the Registrar, each of the Paying Agents, any listing authority, stock exchange or quotation system on which the Notes are listed and/or traded and the Noteholders as soon as possible after their determination but in no event later than the fourth Relevant Business Day thereafter. The Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Interest Rate payable in respect of the Notes shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this Condition but no publication of the Interest Rate or the Interest Amount so calculated need be made. The determination of the Interest Rate and the Interest Amounts by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(h) *Calculation Agent and Reference Banks*

The Issuer will procure that there shall at all times be four Reference Banks with offices in the Relevant Financial Centre (or, in the case of Notes denominated in euro, in the financial centre or centres selected by the Issuer) and a Calculation Agent if provision is made for them in the Conditions applicable to this Note and for so long as it is outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Calculation Agent will appoint another Reference Bank with an office in the Relevant Financial Centre (or, in the case of Notes denominated in euro, in the financial centre or centres in the euro-zone) to act as such in its place. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Interest Rate for any Interest Period or to calculate the Interest Amounts, the Issuer will appoint the London office of a leading bank engaged in the London interbank market to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

As from the Maturity Date, the Interest Rate for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield shown on such Note.

6. Redemption, Purchase and Options

(a) *Final Redemption*

Unless this Note is a Perpetual Note Guaranteed on a Subordinated Basis or it is previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer’s or Noteholder’s option in accordance with Condition 6(e) or (f), this Note will be redeemed at its Redemption Amount (which, unless otherwise provided, is its principal amount) on the Maturity Date (the “*Final Redemption Amount*”)

specified on this Note. If this Note is a Perpetual Note Guaranteed on a Subordinated Basis the Issuer shall not be at liberty to redeem the Note except pursuant to Condition 6(b) or (if applicable) Condition 6(e) and references to Maturity Date in these Conditions are not applicable.

(b) *Redemption for taxation reasons*

If, as a result of any amendment to or change in the laws or regulations of Luxembourg or the Kingdom of Belgium or any political subdivision thereof or any authority or agency therein or thereof or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date, the Issuer (or, if the Guarantees were called, the Guarantor) would, on the occasion of the next payment date in respect of the Notes, be required to pay additional amounts as provided in Condition 8, the Issuer may, at its option, on any Interest Payment Date or, if so specified on this Note, at any time on giving not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 14 redeem all, but not some only, of the Notes at their Redemption Amount which, unless otherwise provided, is its principal amount together with interest accrued to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantees) then due. Prior to the publication of any notice of redemption pursuant to this Condition 6(b), the Issuer shall deliver to the Fiscal Agent a certificate signed by two persons each of whom is a Director of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

(c) *Purchases*

The Issuer, the Guarantor and any of their subsidiaries may at any time purchase Notes (provided that, in the case of Bearer Notes, all unmaturing Receipts and Coupons and unexchanged Talons appertaining thereto are attached or surrendered therewith) in the open market or otherwise at any price.

(d) *Early Redemption of Zero Coupon Notes*

(i) The Redemption Amount payable in respect of any Note the Interest Rate of which is specified to be Zero Coupon upon redemption of such Note pursuant to Condition 6(b) or, if applicable, Condition 6(e) or (f) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note.

(ii) Subject to the provisions of sub-paragraph (iii) below, the "*Amortised Face Amount*" of any such Note shall be the sum of (A) the Reference Price shown on such Note and (B) the aggregate amortisation of the difference between the Reference Price and the principal amount of such Note from its date of issue to the date on which such Note becomes due and payable at a rate per annum (expressed as a percentage) equal to the Amortisation Yield shown on such Note compounded annually. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown on such Note.

(iii) If the Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(b) or, if applicable, Condition 6(e) or (f), or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph will continue to be made (as well after as before judgment), until the Relevant Date unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the principal amount of such Note together with any interest which may accrue in accordance with Condition 5(j).

(e) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

Any such redemption of Notes shall be at their Redemption Amount (as specified in the Pricing Supplement) together with interest accrued (if any) to the date fixed for redemption.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of such option the notice to Noteholders shall also contain the serial numbers of the Notes to be redeemed, which shall have been drawn in such place as the Fiscal Agent may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and listing authority, stock exchange or quotation system requirements.

(f) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options*

If so provided on this Note, the Issuer shall, at the option of the holder of any such Note, redeem such Note on the date or dates so provided at its Redemption Amount (as specified in the Pricing Supplement) together with interest accrued (if any) to the date fixed for redemption.

To exercise such option or any other Noteholders' option which may be set out on this Note the holder must deposit such Note with any Paying Agent (in the case of Bearer Notes) or the Registrar or any Transfer Agent (in the case of Registered Notes) at its specified office, together with a duly completed option exercise notice ("*Exercise Notice*") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent within the Noteholders' Option Period (as specified in the Pricing Supplement). No Note so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(g) *Redemption by Instalments*

Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified on this Note) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(e) or (f), each Note which provides for Instalment Dates and Instalment Amounts will be partially redeemed on each Instalment Date at the

Instalment Amount specified on it, whereupon the outstanding principal amount of such Note shall be reduced by the Instalment Amount for all purposes.

(h) *Cancellation*

All Notes redeemed by the Issuer and all Notes purchased (otherwise than in the ordinary course of business of dealing in securities or as a nominee) by or on behalf of the Issuer, the Guarantor or any of their subsidiaries will be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith) and may not be reissued or resold and the obligations of the Issuer and/or the Guarantor in respect of any such Notes shall be discharged.

(i) *Consents*

Any redemption by the Issuer of Notes guaranteed on a Subordinated Basis pursuant to Condition 6(b) or (if applicable) Condition 6(e) and any purchase and cancellation of Notes guaranteed on a Subordinated Basis pursuant to Condition 6(c) and (h) will be subject to the prior consent of the Belgian Banking and Finance Commission (*Commissie voor Bank- en Financiewezen/ Commission Bancaire et Financière*).

7. Payments and Talons

(a) *Bearer Notes*

Payments of principal and interest in respect of Bearer Notes will, subject as mentioned below and (in the case of Perpetual Notes Guaranteed on a Subordinated Basis) subject to Condition 3(d), be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the currency in which such payment is due drawn on, or, at the option of the holders, by transfer to an account denominated in that currency with, a bank in the principal financial centre of that currency; Provided that (i) in the case of Sterling, the cheque shall be drawn on a town clearing branch of a bank in the City of London, (ii) in the case of euro, the transfer may be to a euro account or on an account which accepts euro payments and (iii) in the case of Japanese yen, the transfer will be to a non-resident Japanese yen account with an authorised foreign exchange bank (in the case of payment to a non-resident of Japan).

(b) *Registered Notes*

(i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes will be made, subject (in the case of Perpetual Notes Guaranteed on a Subordinated Basis) to Condition 3(d), against presentation and surrender of the relevant Notes at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (a) above.

(ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes will be paid, subject (in the case of Perpetual Notes Guaranteed on a Subordinated Basis) to Condition 3(d), to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "*Record Date*"). Payments of interest on each Registered Note will be made in the currency in which such payments are due by cheque drawn on a bank (being a town clearing branch of a bank in the case of Sterling) in the principal financial centre of the country of the currency concerned and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Registrar maintained by the Registrar. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of the country of that currency or, in the case of euro, to a euro account or an account to which euro can be paid.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, adverse tax consequence to the Issuer.

(d) *Payments subject to law etc*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders, Receiptholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and the Guarantor and their respective specified offices are listed below. The Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and the Guarantor and do not assume any obligation or relationship of agency or trust for or with any holder. The Issuer and the Guarantor reserve the right at any time to vary or terminate the appointment of any Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer will at all times maintain (i) a Fiscal Agent, (ii) a Principal Paying Agent, (iii) a Registrar in relation to Registered Notes, (iv) a Transfer Agent in relation to Registered Notes having a specified office in a European city outside Belgium which, so long as the Notes are listed on the Luxembourg Stock Exchange, shall be Luxembourg, (v) a Calculation Agent where the Conditions so require one, (vi) a Paying Agent having a specified office in a European city outside Belgium which, so long as the Notes are listed on the Luxembourg Stock Exchange shall be Luxembourg and (vii) if the conclusions of the ECOFIN Council meeting of 26th-27th November 2000 are implemented, the Issuer and the Guarantor will ensure that they maintain a Paying Agent in an EU member state that will not be obliged to withhold or deduct tax pursuant to any European Union Directive on the taxation of savings implementing such conclusions or any law implementing or complying with, or introduced to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office will promptly be given to the Noteholders in accordance with Condition 14.

(f) *Unmatured Coupons and Receipts and unexchanged Talons*

(i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Notes should be surrendered for payment together with all unexpired Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of that amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Redemption Amount due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

(ii) If the relevant Notes so provide, upon the due date for redemption of any Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

(iii) Upon the due date for redemption of any Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.

(iv) Upon the due date for redemption of any Note which is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.

(v) Where any Note which provides that the relative Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and any unexchanged Talon relating to it, and where any Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.

(vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Note. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation thereof.

(g) *Non-Business Days*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “*business day*” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation and in such jurisdictions as shall be specified as “*Business Day Jurisdictions*” on the Note and:

(i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or

(ii) (in the case of a payment in euro) on which the TARGET System is operating.

(h) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (but excluding any Coupons which may have become void pursuant to Condition 9).

8. **Taxation**

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons by the Issuer or (if the Guarantees were called) the Guarantor will be made without deduction or withholding for, or on account of, any present or future taxes or duties of whatever nature imposed or levied by or on behalf of (in the case of the Issuer) Luxembourg or any political subdivision thereof or any authority or agency therein or thereof having the power to tax or (in the case of the Guarantor) the Kingdom of Belgium or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless such deduction or withholding is required by

law. In such event, the Issuer or, as the case may be, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts received by the Noteholders, Receiptholders or, as the case may be, the Couponholders after such deduction or withholding shall equal the respective amounts which would have been receivable under these Conditions in respect of the Notes, Receipts or, as the case may be, Coupons by the Noteholders, Receiptholders and (if applicable) the Couponholders in the absence of such deduction or withholding, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(i) presented for payment in Belgium; or

(ii) to, or to a third party on behalf of, a holder who is able to avoid such withholding or deduction by placing such Note, Receipt or Coupon in safe custody with a Belgian bank and by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or

(iii) to, or to a third party on behalf of, a holder where such holder is liable to such taxes or duties in respect of such Note, Receipt or Coupon by reason of its having some connection with the Kingdom of Belgium other than by reason only of the holding of such Note, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or

(iv) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on such thirtieth day; or

(v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(vi) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the EU.

As used in these Conditions, “*Relevant Date*” in respect of any Note, Receipt or Coupon means the date on which payment in respect thereof first became due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date on which notice is duly given to the Noteholders in accordance with Condition 14 that, upon further presentation of the Note, Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “*principal*” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “*interest*” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “*principal*” and/or “*interest*” shall be deemed to include any additional amounts which may be payable under this Condition.

9. Prescription

Claims against the Issuer and the Guarantor for payment in respect of the Notes, Guarantees, Receipts and Coupons (which, for this purpose shall not include Talons) shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

10. Events of Default

(a) *Notes other than Dated Notes Guaranteed on a Subordinated Basis and Perpetual Notes Guaranteed on a Subordinated Basis*

This Condition 10(a) is applicable in relation to all Notes other than Dated Notes Guaranteed on a Subordinated Basis and Perpetual Notes Guaranteed on a Subordinated Basis.

If any of the following events (“*Events of Default*”) occurs and is continuing, the holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is immediately repayable, whereupon the Redemption Amount which, unless otherwise provided, is the principal amount of such Note together with accrued interest to the date of payment shall become immediately due and payable unless prior to the date that

such written notice is received by the Fiscal Agent the Issuer or the Guarantor shall have cured or the Issuer or the Guarantor shall otherwise have made good all Events of Default in respect of the Notes:

(i) default in the payment of any interest due in respect of the Notes or any of them and such default continuing for a period of 12 days; or

(ii) default by the Issuer or the Guarantor in the due performance or observance of any other obligation, condition or other provision under or in relation to the Notes or the Guarantees, as the case may be, if such default is not cured within 20 days after receipt by the Fiscal Agent of written notice thereof given by any Noteholder requiring the same to be remedied; or

(iii) default by the Issuer or the Guarantor in the payment of the principal of, or premium or prepayment charge (if any) or interest on, any other loan indebtedness of or assumed or guaranteed by the Issuer or the Guarantor (which indebtedness in the case of the Guarantor has an aggregate principal amount of at least U.S.\$10,000,000 or its equivalent in any other currency or currencies), when and as the same shall become due and payable, if such default shall continue for more than the period of grace, if any, originally applicable thereto and the time for payment of such interest or principal has not been effectively extended, or in the event that any loan indebtedness of or assumed by the Issuer or the Guarantor (which indebtedness in the case of the Guarantor has an aggregate principal amount of at least U.S.\$10,000,000 or its equivalent in any other currency or currencies), shall have become repayable before the due date thereof as a result of acceleration of maturity caused by the occurrence of an event of default thereunder; or

(iv) the Issuer is dissolved or wound up or otherwise ceases to exist prior to the redemption of all outstanding Notes or the Guarantor is dissolved or wound up or otherwise ceases to exist prior to the redemption of all outstanding Notes, except as a result of a Permitted Reorganisation, or the Issuer ceases to be subsidiary of the Guarantor (save in the case of a substitution pursuant to Condition 11 (c) where the substitute is the Guarantor); or

(v) the Issuer or the Guarantor becomes insolvent, is unable to pay its debts generally (or in the case of the Guarantor is in *staking van betaling/cessation de paiements* (suspension of payments)) as they fall due, stops, suspends or threatens to stop or suspend payment of all or a material part of its debts or ceases or threatens to cease to carry on its business, or proposes or makes a general assignment or an arrangement or composition with or for the benefit of its creditors, or a moratorium is agreed or declared in respect of or affecting all or a material part of the indebtedness of the Issuer or the Guarantor, or if the Issuer or the Guarantor commences a voluntary case or other proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, consents to the entry of an order for relief in any involuntary case or other proceeding under any such law as to the appointment of or the taking possession by a trustee, receiver, liquidator, custodian, assignee, sequestrator or similar official of the Issuer or the Guarantor or of any substantial part of its property or as the winding up or liquidation of the Issuer, or if the Guarantor applies for a *concordat judiciaire/gerechtelijk akkoord* (composition with creditors), *liquidation/vereffening* (liquidation) or *faillite/faillissement* (bankruptcy) or any procedures having similar or equivalent effect shall have been initiated in respect of the Issuer or the Guarantor; or

(vi) a court having jurisdiction in the premises enters a decree or order for relief in respect of the Issuer or the Guarantor in an involuntary case or other proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a trustee, receiver, liquidator, custodian, assignee, sequestrator or other similar official of the Issuer or the Guarantor or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order continues unstayed in effect for a period of 30 consecutive days; or

(vii) it becomes unlawful for the Issuer or the Guarantor to perform any of their respective obligations under the Notes or the Guarantees, or any of their obligations ceases to be valid, binding or enforceable; or

(viii) the Guarantees are not or are claimed by the Guarantor not to be in full force and effect in accordance with their terms.

In this Condition:

“*Permitted Reorganisation*” means an amalgamation, merger, consolidation, reorganisation or other similar arrangement entered into by the Guarantor under which:

(a) the whole of the business, undertaking and assets of the Guarantor are transferred to and all the liabilities and obligations of the Guarantor are assumed by the new or surviving entity either:

(i) automatically by operation of applicable law; or

(ii) the new or surviving entity assumes all the obligations of the Guarantor under the terms of the Agency Agreement, the Notes and the Guarantees as fully as if it had been named in the Agency Agreement, the Notes and the Guarantees in place of the Guarantor; and, in either case,

(b) the new or surviving entity will immediately after such amalgamation, merger, consolidation, reorganisation or other similar arrangement be subject to a European Union regulatory authority. Any such notice by a Noteholder to the Fiscal Agent shall specify the serial number(s) of the Note(s) concerned.

(b) *Dated Notes Guaranteed on a Subordinated Basis*

This Condition 10(b) is applicable in relation to Dated Notes Guaranteed on a Subordinated Basis.

Any holder of a Dated Note Guaranteed on a Subordinated Basis may, by notice to the Fiscal Agent and the Issuer, declare his Note to be due and payable, and such Note shall accordingly become immediately due and payable at its principal amount together with accrued interest to the date of repayment if an order is made or an effective resolution is passed for the bankruptcy (*faillissement/faillite*), composition with creditors (*gerechtelijk akkoord/concordat judiciaire*) or liquidation (*vereffening/liquidation*) of the Guarantor.

(c) *Perpetual Notes Guaranteed on a Subordinated Basis*

This Condition 10(c) is applicable in relation to Perpetual Notes Guaranteed on a Subordinated Basis.

(i) Any holder of a Perpetual Note Guaranteed on a Subordinated Basis may, by notice to the Fiscal Agent and the Issuer, declare his Note to be due and payable, and such Note shall accordingly (subject to the provisions of Condition 3(d)) become immediately due and payable at its principal amount together with accrued interest to the date of repayment and any Arrears of Interest if an order is made or an effective resolution is passed for the bankruptcy (*faillissement/faillite*), composition with creditors (*gerechtelijk akkoord/concordat judiciaire*) or liquidation (*vereffening/liquidation*) of the Guarantor.

(ii) A Noteholder may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding on the Issuer under the Notes or the Coupons or the Receipts (if any) provided that the Issuer shall not by virtue of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(iii) No remedy against the Issuer, other than the institution of the proceedings referred to in subparagraph (ii) above or the proving or claiming in any winding-up of the Issuer, shall be available to the Noteholders or the Couponholders or the Receiptholders (if any) whether for the recovery of amounts owing in respect of the Notes or the Coupons or in respect of any breach by the Issuer of any other obligation, condition or provision binding on it under the Notes or the Coupons or the Receipts (if any).

(iv) In the event of an order being made or an effective resolution being passed for the winding-up, liquidation or bankruptcy of the Issuer; then immediately thereupon and without further formality the Guarantor shall become the principal debtor under the Notes and the Coupons and the Receipts (if any) in place of the Issuer and the Guarantees shall cease to be of any effect and the Noteholders and the Couponholders and the Receiptholders (if any) shall cease to have any rights or claims whatsoever against the Issuer; provided that:

(a) the obligations of the Guarantor as principal debtor as aforesaid shall be subordinated to the same extent as its obligations under the Guarantees; and

(b) no Noteholder or Couponholder or Receiptholder shall, as a result of any change in principal debtor as aforesaid, be entitled to claim from the Issuer or the Guarantor any indemnification or payment in respect of any tax consequence of such change upon individual Noteholders or Couponholders or Receiptholders except to the extent provided for by Condition 8.

11. Meeting of Noteholders, Modifications and Substitution

(a) *Meetings of Noteholders*

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interest, including modification by Extraordinary Resolution of the Notes (including these Conditions in so far as the same may apply to such Notes). An Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders, whether present or not and on all relevant Couponholders, except that any Extraordinary Resolution proposed, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest thereon, (ii) to reduce or cancel the principal amount or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating the Interest Amount in the respect thereof, (iv) if there is shown on the face of the Notes a Minimum Interest Rate and/or a Maximum Interest Rate, to reduce such Minimum Interest Rate and or a Maximum Interest Rate, (v) to change any method of calculating the Redemption Amount or, in the case of Zero Coupon Notes, to change the method of calculating the Amortised Face Amount, (vi) to change the currency or currencies of payment of the Notes, (vii) to cancel or change the provisions of any Guarantee, (viii) to take any steps which this Note specifies may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply or (ix) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, will only be binding if passed at a meeting of the Noteholders (or at any adjournment thereof) at which a special quorum (provided for in the Agency Agreement) is present. For the avoidance of doubt, the provisions of Articles 86 to 94-8 of the Luxembourg law on commercial companies dated 10 August 1915, as amended, are hereby excluded.

These Conditions may be amended, modified, or varied in relation to any Series of Notes by the terms of the relevant Pricing Supplement in relation to such Series.

(b) *Modification of Agency Agreement*

The Issuer and the Guarantor shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution*

The Issuer, or any previous substituted company, may at any time, without the consent of the Noteholders or the Couponholders, substitute for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any company (the “*Substitute*”) which is the Guarantor, or a subsidiary of the Guarantor, provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue. The substitution shall be made by a deed poll (the “*Deed Poll*”), to be substantially in the form scheduled to the Agency Agreement as Schedule 8, and may take place only if (i) the Substitute shall, by means of the Deed Poll, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment or governmental charge which is imposed on it by (or by any authority in or of) the jurisdiction of the country of the Substitute’s residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon or Talon and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution, (ii) where the Substitute is not the Guarantor, the obligations of the Substitute under the Deed Poll, the Notes, Receipts, Coupons and Talons shall be unconditionally and irrevocably guaranteed by the Guarantor by means of the Deed Poll, (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Notes, Receipts, Coupons and Talons represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Deed Poll (where the Substitute is not the Guarantor), of the Guarantor have been taken, fulfilled and done and are in full force and effect, (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it, (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above and in England as to the fulfilment of the preceding conditions of this paragraph (c) and the other matters specified in the Deed Poll and (vi) the Issuer shall have given at least 14 days’ prior notice of such substitution to the Noteholders, stating that copies or, pending execution, the agreed text of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified offices of each of the Paying Agents. References in Condition 10 to obligations under the Notes shall be deemed to include obligations under

the Deed Poll, and, where the Deed Poll contains a guarantee, the events listed in Condition 10 shall be deemed to include that guarantee not being (or being claimed by the Guarantor not to be) in full force and effect.

12. Replacement of Notes, Receipts, Coupons and Talons

If a Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed it may be replaced, subject to applicable laws and stock exchange regulations, at the specified office of such Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to the Noteholders in accordance with Condition 14 (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Notes), in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly.

14. Notices

Notices to holders of Registered Notes will be mailed to them at their respective addresses in the Register and be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes will be valid if (i) published in a leading daily newspaper having general circulation in the United Kingdom (which is expected to be the *Financial Times*) and (ii) in the case of Bearer Notes and Registered Notes which are listed on the Luxembourg Stock Exchange (so long as such Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require), in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or in the case of (i) and (ii), if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe and otherwise if given in compliance with the requirements of each stock exchange on which the Notes are listed. Notices, will, if published more than once, be deemed to have been given on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15. Governing Law and Jurisdiction

(a) Governing Law

The Notes, the Receipts, the Coupons, the Talons and the Guarantees to which Condition 3(b) applies are governed by, and shall be construed in accordance with, English law.

Guarantees to which Condition 3(c) applies and Guarantees to which Condition 3(d) applies are governed by, and shall be construed in accordance with, the laws of the Kingdom of Belgium.

(b) Jurisdiction

The Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with any Notes, Receipts, Coupons, Talons or Guarantees and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons, Talons or Guarantees (“Proceedings”) may be brought in such courts. Each of the Issuer and the Guarantor irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) *Service of Process*

Each of the Issuer and the Guarantor irrevocably appoints Fortis Bank, London Branch, Bavaria House, 13/14 Appold Street, London EC2A 2DP to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer or the Guarantor). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, each of the Issuer and the Guarantor irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.

USE OF PROCEEDS

The net proceeds from the issue of the Notes will be lent by the Issuer to the Guarantor, to be used by the Guarantor to meet part of its financing requirements and for general corporate purposes.

SUMMARY OF PROVISIONS RELATING TO GLOBAL NOTES

Each Series or Tranche, as the case may be, where the Notes issued in such Series or Tranche are initially in bearer form, will initially be represented by a temporary Global Note, in bearer form without Coupons, with the Guarantee of the Guarantor endorsed thereon, which will be deposited on behalf of the subscribers of the relevant Notes with a common depositary (the “*Common Depositary*”) for the Euroclear Operator and/or for Clearstream, Luxembourg and/or any other relevant clearing system, or as otherwise agreed, on or about the issue date of the relevant Notes. No interest will be payable in respect of a temporary Global Note except as provided below. Upon deposit of the temporary Global Note(s) with the Common Depositary, the Euroclear Operator or Clearstream, Luxembourg or any other relevant clearing system will credit each subscriber with a principal amount of Notes equal to the principal amount thereof for which it has subscribed and paid.

Each of the persons shown in the records of the Euroclear Operator or Clearstream, Luxembourg or any other relevant clearing system as the holder of a Note represented by a Global Note must look solely to the Euroclear Operator or Clearstream, Luxembourg (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note, subject to and in accordance with the respective rules and procedures of the Euroclear Operator, Clearstream, Luxembourg and any other relevant clearing system. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note and the obligations of the Issuer will be discharged by payment to the bearer of such Global Note in respect of each amount so paid.

The temporary Global Notes and the permanent Global Notes contain provisions which apply to the Notes while they are in global form, some of which modify the effect of the terms and conditions of the Notes set out in this document. The following is a summary of certain of those provisions:—

(1) *Exchange*: Each temporary Global Note will be exchangeable in whole or in part for interests in a permanent Global Note or for Definitive Notes, in each case, with the Guarantee of the Guarantor endorsed thereon, on or after the first day following the expiry of 40 days after completion of the distribution of the relevant Tranche upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. If the relevant Pricing Supplement so provides, each permanent Global Note is exchangeable in whole or, in the case of Partly-paid Notes only, in part for definitive Notes by the holder giving notice to the Fiscal Agent, or by the Issuer giving notice to the Fiscal Agent and the Noteholders, of its intention to exchange such permanent Global Note for definitive Notes as set out below.

(A) If so specified in the relevant Pricing Supplement (i) on or after any Exchange Date (as defined below) or (ii) at any time or (B) if the Pricing Supplement specifies “in the limited circumstances described in the Permanent Global Note”, then upon the request of the holder of the permanent Global Note if either of the following events occurs: (a) if Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 10 occurs, the holder of a permanent Global Note may surrender such permanent Global Note to or to the order of the Fiscal Agent. In exchange for any permanent Global Note the Issuer will deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated definitive Notes (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts which have not already been paid on the permanent Global Note and a Talon), with the Guarantee of the Guarantor endorsed thereon, security printed in accordance with any applicable legal and listing authority, stock exchange or quotation system requirements and in or substantially in the form set out in Schedule 2 to the Agency Agreement. On exchange of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant definitive Notes.

“*Exchange Date*” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and on which the Euroclear Operator and Clearstream, Luxembourg and any other relevant clearing system are open for business.

(2) *Payments*: No payment falling due more than 40 days after the issue of any Tranche represented by a temporary Global Note will be made on that temporary Global Note unless exchange for an interest in a permanent Global Note is improperly withheld or refused. Payments on any temporary Global Note during the period up to 40 days after the completion of the distribution of such Tranche will only be made against presentation of certification as to non-U.S. beneficial ownership as set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement

and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. A record of each payment so made will be endorsed in the appropriate schedule to each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes.

(3) *Notices*: So long as Notes of any Series are represented by a Global Note notices may be given by delivery of the relevant notice to the Euroclear Operator or Clearstream, Luxembourg or any other relevant clearing system for communication by them to entitled account holders in substitution for publication in a daily newspaper with general circulation in the United Kingdom, but publication in the Luxemburger Wort will be maintained for so long as the Notes of the Series in respect of which the notice is to be published are listed on the Luxembourg Stock Exchange.

(4) *Prescription*: Claims against the Issuer in respect of principal and interest (as each is defined in the Conditions) on Notes while the Notes of that Series are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

(5) *Meetings*: The holder of a Global Note will be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each minimum Denomination of Notes for which such permanent Global Note may be exchanged.

(6) *Purchase and Cancellation*: Cancellation of any Note surrendered for cancellation by the Issuer following its purchase will be effected by reduction in the principal amount of the relevant permanent Global Note.

(7) *Issuer's Option*: No drawing of Notes will be required under Condition 6(e) in the event that the Issuer exercises any option relating to those Notes while all such Notes which are outstanding are represented by a permanent Global Note. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with the Euroclear Operator and Clearstream, Luxembourg in respect of the Notes will be governed by the standard procedures of the Euroclear Operator and Clearstream, Luxembourg.

(8) *Noteholders' Option*: Any Noteholders' option may be exercised by the holder of a permanent Global Note giving notice to the Fiscal Agent of the principal amount of Notes in respect of which the option is exercised and presenting such permanent Global Note for endorsement of exercise within the time limits specified in the Conditions.

(9) *Default*: As more fully described in the Global Notes, each Global Note shall become void in whole or in part on the seventh day after notice is served by the person or persons shown in the records of the Euroclear Operator or Clearstream, Luxembourg or any other relevant clearing system as the holder or holders of the Notes in respect of which notice is served (the "*Relevant Accountholder*") upon the occurrence of an event of default. In such circumstances each Relevant Accountholder shall acquire, under a deed of covenant dated 5 September 2003 executed by the Issuer and the Guarantor (the "*Deed of Covenant*") against the Issuer and the Guarantor all rights which the Relevant Accountholder in question would have had if, immediately before the Global Note became void, it had been holder of definitive Notes issued on the issue date of the Global Note in an aggregate principal amount equal to the principal amount of the Notes in respect of which such Relevant Accountholder is shown in the records of the Euroclear Operator or Clearstream, Luxembourg or any other relevant clearing system.

(10) *Partly-paid Notes*: The provisions relating to Partly-paid Notes will be contained in the Global Notes. For so long as any instalments of the subscription moneys due from the holder of Partly-paid Notes are due, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). In the event that any Noteholder fails to pay any instalment due on any Partly-paid Notes within the time specified, the Issuer will be entitled to forfeit such Notes and shall have no further obligation to their holder in respect of them.

3. Activities

Fortis Bank operates on a cross border basis with offices in the Benelux countries and it co-ordinates its operations from Brussels, Amsterdam, Rotterdam and Luxembourg.

The Fortis Bank organisation is centred around 3 businesses which are integrated in the Fortis structure:

- Network Banking, providing financial services to retail customers, the independent professions and to small and medium sized enterprises
- Merchant Banking, providing financial markets, corporate and investment banking, onshore fund and private equity services to institutional customers, financial institutions, large companies and multinationals
- Private Banking, Asset Management and Information Banking

Each business comprises several business lines which, in turn, group together activities focusing on a specific customer segment.

In parallel to the organisation of Fortis Bank on the basis of its businesses, the Fortis Bank structure also includes operational and support functions which provide back-up for all the businesses. Fortis Bank’s operational activities (‘Operations’), such as securities handling, accounts and payments and standardised credits for retail customers, are combined into one general national and cross-border activity. This should lead to enhanced quality of service, greater cross-border synergy and improved cost control.

Network Banking

In its home market, the Benelux countries, Fortis Bank offers advice on all forms of saving, investment, credit and insurance through a variety of distribution channels, including the branch network, phone banking, “self-banking” and on-line banking. Fortis also provides retail banking services in France, Poland and Hong Kong.

Medium-sized enterprises receive a uniform service offering from the integrated network of specialised business centres throughout Europe, with the same products and services and via the same online channels. Each business centre offers a team of experts specialised in commercial banking and familiar with the local policies and business community

Merchant Banking

Merchant Banking brings together Fortis's banking activities aimed at the institutional and professional market. These activities include financial transactions, corporate finance, advisory services and global specialist services. Merchant Banking concentrates primarily on medium-sized and international enterprises and on banks and institutional investors.

The activities of Merchant Banking focus on the institutional customers and have adopted a multi-service approach. Merchant Banking is composed of 4 business lines:

Global Markets

Global Private Equity

Global Private Equity supplies venture capital, growth capital and buyout capital to companies in both traditional and innovative sectors, with a view to achieving capital growth. The investments are effected among others by entities which are wholly owned by Fortis Bank. In innovative sectors, Fortis is playing an important role in the formation of university spin-off companies. Investments are also made through participation in funds managed by independent management teams in which Fortis Bank seeks synergy both within the business line and with other parts of the bank. Finally, investments may be based on the 'fund of funds' approach. With a view to maximising profitability, this business line is looking to analyse and manage its private equity portfolio in a dynamic way.

Institutional Banking and OnShore Fund Services

The **Institutional Banking & Funds (IBF)** unit is responsible, at worldwide level, for the institutional clients sector (banks, insurance companies, international organisations, asset managers, funds, brokers etc). The main objective is to make the Merchant Banking range of products and services more suitable for meeting our institutional clients' needs.

- IBF oversees all the commercial aspects of relations with institutional clients, as well as the risks therein.
- Onshore Funds, which handles all European funds covered by the various UCITS directives of the EU, complements the range of Merchant Banking products by offering administrative and fund distribution services. Onshore Funds offers its clients a "one-stop shopping" service by combining Global Markets products with its own.

Private Banking, Asset Management and Information Banking

The three activities of Private Banking, Asset Management and Information Banking are all key elements in Fortis's asset building strategy.

Fortis's private banking operations trade internationally under the name "MeesPierson, the Private Bankers of Fortis". MeesPierson will use its domestic leadership to expand its position in selected markets outside the Benelux countries. Use of the international Fortis network and carefully targeted acquisitions will help it to expand its portfolio of high-net-worth individuals. The ongoing diversification of tailored financial and trust

activities will underpin organic growth. At the same time, MeesPierson will continue to do its utmost to boost operational performance and efficiency.

Fortis Investment Management is Fortis's autonomous asset manager. With its base of operations in Europe and offices in the United States and Asia, it is active worldwide. Fortis Investment Management's activities are diversified, ranging from institutional portfolio management to the development, distribution and management of investment funds. Fortis Investment Management aims to provide innovative and high-quality investment solutions and support to both its retail and institutional clients.

Information Banking provides integrated services in four areas to professional investors with worldwide operations in the financial markets, such as institutional investors, pension funds, insurance companies, asset managers, hedge fund managers, banks, market makers and stock brokers. As a general custodian, Information Banking processes and manages international securities transactions and portfolios. It also provides financing and clearing services to institutional customers, traditional and alternative investment funds and brokerage firms. Additionally, Information Banking is active in securities lending. Finally, it provides administrative services for offshore investment funds.

4. Fortis

Fortis Bank is approximately 99 per cent. owned by Fortis.

Fortis is an international financial group established in December 1990 through the merger of the operating activities of the AG Group in Belgium and the AMEV/VSB Group in The Netherlands. Legally, the group has two parent companies, Fortis SA/NV and Fortis N.V., each of which owns 50 per cent. of both Fortis Brussels SA/NV and Fortis Utrecht N.V. Since the end of 2001, the formerly listed Fortis (B) and Fortis (NL) shares have been replaced by a single new Fortis share. This share is a 'twinned' equity holding in each of what are now the parent companies, Fortis SA/NV and Fortis N.V., with the associated voting, dividend and other rights. Fortis is listed on the exchanges of Amsterdam, Brussels and Luxembourg and has a sponsored ADR programme in the United States.

Fortis is an international financial services provider active in the fields of insurance, banking and investment.

With a market capitalisation of EUR 18 billion and around 69,000 employees, Fortis ranks in the top 20 of European financial institutions. In its home market, the Benelux countries, Fortis occupies a leading position and offers a broad range of financial services to individuals, companies and the public sector. Outside its home market, Fortis concentrates on selected market segments.

The activities of Fortis are organised in six businesses. The three insurance businesses are divided geographically, while the three banking businesses are organised according to specialisation (and hence are transnational by nature).

Each of these intensely customer-orientated businesses develops specific products and services for its target group. The underlying principle is that our product and service offering must be available to the customer through a variety of channels at all times. By giving the different businesses more autonomy, and by speeding up decision-making processes at the same time, we are able to meet our customers' requirements more effectively and more rapidly.

Insurance Netherlands

Fortis has a strong presence in both the life and non-life insurance markets in the Netherlands where it sells insurance through intermediaries. Its brands include AMEV, Stad Rotterdam Verzekeringen, De Amersfoortse and De Europeesche.

Insurance Belgium and International

Fortis AG, one of Belgium's leading insurance companies, offers both life and non-life insurance through intermediaries. In other European countries and Asia, Fortis concentrates on specific market segments.

Insurance United States

Fortis has adopted a niche strategy in the United States. Its goal is to achieve a leading position in specific market segments, e.g. credit-related products and services, funeral insurance, health insurance and employee

benefits. Assurant Group, Fortis Health, Fortis Benefits and Fortis Family all operate in market segments that offer good opportunities for profitable growth.

Network Banking

Network Banking provides financial services to retail customers and to small and medium-sized enterprises and corporates. As far as retail customers are concerned, the business focuses on the Benelux countries, where it has a leading market position. It operates business centres in major European cities that offer cross-border services to mid-sized companies. Network Banking also provides specialised services to large companies in certain selected industries.

Merchant Banking

This business provides institutional customers, medium-sized and large enterprises and banks with services involving Financial Markets, Investment Banking and Private Equity. Merchant Banking has a leading position in the Benelux region as a facilitator of mergers and acquisitions, market flotations and capital market transactions.

Private Banking, Asset Management & Information Banking

The core activities of Private Banking, which operates under the names of MeesPierson and Banque Générale du Luxembourg, concern investment, structuring and financing for wealthy customers. Fortis Investment Management offers asset management services to institutional investors, along with a wide variety of investment funds. Information Banking is the first in Europe to offer its customers a complete service package.

5. Strategy and Policy

As for Fortis, the bank’s strategy is based on the following objectives:

- to improve our performance in our home market;
- to develop growth platforms in Europe in the field of asset gathering;
- to expand our activities in the United States and Asia that offer strong growth potential or that enable us to develop skills that can be used in our home market.

The divestment of non-profitable activities and enhancement of transparency form an integral part of the corporate strategy.

6. Capital Adequacy – Rating

The Basle Committee on Banking Regulations and Supervisory Practices (the “Basle Committee”) has developed guidelines for the measurement of capital adequacy of international banking organisations. These guidelines set minimum capital adequacy ratios of 4 per cent. for Tier 1 capital and 8 per cent. for total capital (Tier 1 and 2).

The table below sets out the Tier 1 and total capital ratios which come from the Fortis Group’s annual accounts in accordance with Fortis Group’s accounting principles for Fortis Bank:

	31-Dec-2000 Fortis Bank	31-Dec-2001 Fortis Bank	31-Dec-2002 Fortis Bank
Tier 1 capital ratio	7.30%	8.50%	8.2%
Total capital ratio	11.80%	13.50%	13.0%

7. Management, Decision-Making and Supervision

Decision-making and management functions at Fortis Bank are divided between the Management Committee and the Board of Directors.

The management of Fortis Bank is the exclusive responsibility of the Management Committee, which consists of a number of managing directors and operates within the framework of the general policy outlined by the Board of Directors.

The Board of Directors is responsible for the supervision of the management and control of the financial position of Fortis Bank, and for defining the general policy. The Board is able to nominate and discharge the members of the Management Committee within the limits of the Protocol on the banking autonomy.

8. Recent Developments of Fortis

During the first half year of 2003, Fortis realises net profit of EUR 671 million in a difficult economic environment:

- Net operating profit before value adjustments to the equity portfolio improved 2 per cent. compared to the first half of last year when market conditions were relatively better. In the second quarter the net operating profit before realised capital gains increased to EUR 540 million, or +41 per cent. compared with the first quarter of 2003.
- Revenues were depressed by lower stock markets, a flattening yield curve and reduced economic growth. However, lower interest rates presented an opportunity to realise higher capital gains on bonds.

- Fortis reduced its equity exposure, as announced earlier, by approximately EUR 2 billion in the first half of the this year, realising a loss of EUR 647 million. The equity portfolio amounted to EUR 8 billion (5.5 per cent. of total investments) as at 30 June 2003, compared to EUR 10 billion (7.0 per cent. of total investments) at the end of 2002.
- The stock market recovery in the second quarter generated a net value adjustment of a positive EUR 0.5 billion compared to a negative EUR 1.2 billion in the first quarter.

- The positive net value adjustment together with net operating profit before value adjustments resulted in a net profit of EUR 1.1 billion for the second quarter of 2003.
- Net profit for the first half of 2003 was EUR 671 million compared to a loss of EUR 453 million for the first quarter.
- Fortis's solvency remains strong. As at 30 June 2003, net core capital after the dividend payment of EUR 1.1 billion was EUR 16.9 billion. This was EUR 7.2 billion or 74 per cent. above the legally required minimum and EUR 1.4 billion or 9 per cent. above Fortis's own floor.

TAXATION

Belgian Taxation

Withholding tax:

Payment of interest and principal under the Notes by the Guarantor in its capacity as guarantor will not be subject to Belgian withholding tax, unless such payment is made through a financial institution or other intermediary established in Belgium. If it is so made, withholding tax may be levied at the rate of 15 per cent. subject to certain exemptions or reductions. Currently, exemptions are in particular available in the following circumstances, in each case subject to certain conditions and identification formalities:

- the Noteholder is a non-resident of Belgium, does not allocate the Notes to any professional activity in Belgium and keeps the Notes in custody with a financial institution established in Belgium;
- the Noteholder is a non-resident of Belgium, does not allocate the Notes to any professional activity in Belgium and has the benefit of a tax treaty which provides for such an exemption;
- the Noteholder is a resident of Belgium, or is a non-resident but holds the Notes through a permanent establishment in Belgium, and qualifies for an exemption of withholding tax by reason of its own tax status (e.g. financial institutions, corporate entities, etc). It should be noted that this last type of exemption is generally not available in respect of payments which relate to an original issue discount on Zero Coupon Notes.

If payment is made by the Guarantor in its capacity as principal debtor under Perpetual Notes further to the winding-up, liquidation or bankruptcy of the Issuer in accordance with Condition 10(c)(iv) of the Notes, withholding tax may be also levied at the rate of 15 per cent., subject to certain limited exemptions or reductions.

Income tax:

Noteholders who are residents of Belgium or hold the Notes through a permanent establishment in Belgium will be subject to Belgian income tax on the interest collected under the Notes and, depending on their tax status, on capital gains realised in respect of the Notes. Other Noteholders will not be subject to such Belgian income tax (save, as the case may be and as set out above, in the form of withholding tax).

Stamp duties:

Subscriptions for or trades in respect of the Notes, if made through a financial intermediary established in Belgium, will be subject to stamp duties at the rates of 0.14 per cent. in the case of primary market subscriptions or 0.07 per cent. in the case of trades on the secondary market (subject in each case to a maximum amount of EUR 250 per transaction). Such stamp duty is not applicable, however, to Noteholders who are non-residents of Belgium or are qualifying institutional investors.

Tax on the delivery of bearer instruments:

The physical delivery to investors (other than qualifying financial institutions) of Definitive Notes in bearer form may be subject to a tax of 0.2 per cent., if made through a financial intermediary established in Belgium. A Law of 5 August 2003 has increased the rate of this tax to 0.4 per cent. The date on which the new rate will become applicable is still to be determined through an implementing Royal Decree.

Inheritance duties:

No Belgian inheritance duties will be levied in respect of the Notes if the deceased Noteholder was not a Belgian resident at the time of his or her death.

Taxation in Luxembourg

The Issuer has been advised that under the existing laws of Luxembourg as currently applied by the Luxembourg tax authorities:

- (a) all payments of interest and principal by the Issuer under the Notes can be made free of withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein (please refer however to “EU Savings Directive” below);

- (b) a holder of Note who derives income from such Note or who realises a gain on the disposal or redemption thereof will not be subject to Luxembourg taxation on income or capital gains unless:
 - (i) such holder is, or is deemed to be, resident in Luxembourg; or
 - (ii) such income or gain is attributable to an enterprise or part thereof which is carried on through a permanent establishment or a permanent representative in Luxembourg;
- (c) Luxembourg net wealth tax will not be levied on a holder of a Note unless:
 - (i) such holder is, or is deemed to be, resident in Luxembourg for the purpose of the relevant provisions; or
 - (ii) such Note is attributable to an enterprise or part thereof which is carried on through a permanent establishment or a permanent representative in Luxembourg;
- (d) no Luxembourg inheritance tax is levied on the transfer of the Notes upon death of a Noteholder in cases where the deceased was not a resident of Luxembourg for inheritance tax purposes;
- (e) Luxembourg gift tax will be levied in case the gift is made pursuant to a notarial deed signed before a Luxembourg notary;
- (f) it is not compulsory that the Notes be filed, recorded or enrolled with any court, or other authority in Luxembourg or that registration tax, transfer tax, capital tax, stamp duty or any other similar tax or duty (other than court fees and contributions for the registration with the Chamber of Commerce) be paid in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including any foreign judgement in the courts of Luxembourg) of the Notes, in accordance therewith, except that, in case of use of the Notes, either directly or by way of reference, (i) in a public deed, (ii) in a judicial proceeding in Luxembourg or (iii) before any other Luxembourg official authority (*autorité constituée*), registration will in principle be ordered which implies the application of a fixed or an ad valorem registration duty and calculated on the amounts mentioned in the Notes;
- (g) there is no Luxembourg value-added tax payable in respect of payments in consideration for the issue of the Notes or in respect of the payment of interest or principal under the Notes or the transfer of Notes, provided that Luxembourg value-added tax may, however, be payable in respect of fees charged for certain services rendered to the Issuer, if for Luxembourg value-added tax purposes such services are rendered, or are deemed to be rendered, in Luxembourg and an exemption from Luxembourg value-added tax does not apply with respect to such services;
- (h) a holder of a Note will not become resident, or deemed to be resident, in Luxembourg by reason only of the holding of such Note or the execution, performance, delivery and/or enforcement of that or any other Note.

EU Savings Directive

On 3 June 2003 the EU Council of Economic and Finance Ministers adopted a new directive regarding the taxation of savings income. The directive is scheduled to be applied by Member States from 1 January 2005, provided that certain non-EU countries adopt similar measures from the same date. Under the directive each Member State will be required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to an individual resident in that other Member State; however, Austria, Belgium and Luxembourg may instead apply a withholding system for a transitional period in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to commence on the date from which the directive is to be applied by Member States and to terminate at the end of the first fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

PLAN OF DISTRIBUTION

Subject to the terms and conditions contained in an Amended and Restated Distribution Agreement dated 5 September 2003 (the “*Distribution Agreement*”) between the Issuer, the Guarantor and the Dealers named therein the Notes will be offered on a continuing basis by the Issuer through the Dealers. The Issuer will have the sole right to accept offers to purchase Notes and may reject any proposed purchase of Notes as a whole or, subject to the terms of the offer, in part. The Dealers shall have the right, in their discretion reasonably exercised, without notice to the Issuer, to reject any proposed purchase of the Notes made to them as a whole or, subject to the terms of the offer, in part. Unless otherwise agreed, the Issuer will pay a Dealer a commission of from 0.075 per cent. to 0.625 per cent. of the principal amount of the Notes, depending upon maturity, in respect of the Notes solicited for purchase by it. The Issuer, failing whom the Guarantor, has agreed to reimburse the Dealers for certain of their expenses incurred in connection with the establishment of the Programme and the Dealers’ activity in connection therewith, as provided in the Distribution Agreement.

The Issuer may also sell Notes to the Dealers as principals, for their own accounts at a price to be agreed upon at the time of sale. Such Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer(s). The Distribution Agreement also provides for Notes to be issued in Tranches which may be jointly and severally underwritten by two or more Dealers.

The Issuer, failing whom the Guarantor, has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Distribution Agreement may be terminated in relation to all the Dealers or any of them by the Issuer and the Guarantor or, in relation to itself and the Issuer only, by any Dealer in any such case, and for any reason and at any time upon the giving of not less than 10 business days’ written notice of such termination to the other parties hereto.

SELLING RESTRICTIONS

United States of America

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the “*Securities Act*”) and include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons. Each of the Dealers has agreed that it will not offer, sell or deliver a Note in bearer form within the United States or to U.S. persons except as permitted by the Distribution Agreement.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a U.S. person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Distribution Agreement, it will not offer, sell or deliver the Notes of any Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, or the Fiscal Agent, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes from that offering within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

United Kingdom

Each of the Dealers has represented and agreed that (i) in relation to Notes which have a maturity of one year or more, it has not offered or sold and will not offer or sell any such Notes to persons in the United Kingdom prior to the expiry of the period of six months from the issue date of such Notes except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in any offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995, (ii) in relation to any Notes having a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or

agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses, where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer, (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom and (iv) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not or, in the case of the Guarantor, would not, if it was not an authorised person, apply to the Issuer or the Guarantor.

Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan and, accordingly, each Dealer has undertaken that it will not offer or sell any Notes directly or indirectly, in Japan or to, or for the benefit of, any Japanese person or to others for re-offering or resale, directly or indirectly, in Japan or to any Japanese person except under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time. For the purposes of this paragraph, “*Japanese person*” shall mean “any person resident in Japan, including any corporation or other entity organised under the laws of Japan.”

Federal Republic of Germany

Each Dealer has confirmed that it is aware of the fact that no German selling prospectus (*Verkaufsprospekt*) has been or will be published with respect to the Programme and that such Dealer will comply with the Securities Selling Prospectus Act (the “*SSPA*”) of the Federal Republic of Germany (*Wertpapier-Verkaufsprospektgesetz*). In particular, each Dealer has undertaken not to engage in public offering (*öffentliches Anbieten*) or other selling activities in the Federal Republic of Germany with respect to any Notes issued under the Programme otherwise than in accordance with the SSPA and any other legislation replacing or supplementing the SSPA and all other applicable laws and regulations.

Republic of France

The Issuer, the Guarantor and each Dealer has represented and agreed that it has not offered or sold and will not offer or sell, directly or indirectly, the Notes in France, except in compliance with the relevant regulations issued from time to time by the *Commission des Opérations de Bourse* and to (i) qualified investors (*investisseurs qualifiés*) and/or (ii) a restricted group of investors (*cercle restreint d’investisseurs*), all as defined in and in accordance with Articles L411-1 and L411-2 of the Code Monétaire et Financier and decree no. 98-880 dated 1 October 1998.”

- (a) the Issuer, the Guarantor and the relevant Dealer or Dealers procure that any advertisements or document in which a forthcoming offering of Notes is publicly announced (whether electronically or otherwise) will be submitted to the AFM prior to publication thereof and

- (III) In addition and without prejudice to the relevant restriction set out under (II) above, Zero Coupon Notes (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the Issuer or a member firm (*lid*) of Euronext Amsterdam N.V., admitted in a function on one or more markets or systems held or operated by Euronext Amsterdam N.V. with observance of the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations. No such mediation is required (a) in respect of the transfer and acceptance of rights representing an interest in a Zero Coupon Note in global form, or (b) in respect of the initial issue of Zero Coupon Notes in definitive form to the first holders thereof, or (c) in respect of the transfer and acceptance of Zero Coupon Notes in definitive form between individuals not acting in the conduct of a business or profession, or (d) in respect of the transfer and acceptance of such Zero Coupon Notes within, from or into The Netherlands if all Zero Coupon Notes (either in definitive form or as rights representing an interest in a Zero Coupon Note in global form) of any particular Series or Tranches are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter. As used herein “**Zero Coupon Notes**” are Notes that are in bearer form and that constitute a claim for a fixed sum against the Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

Belgium

The offering of the Notes has not been, and will not be, notified to the Belgian Banking and Finance Commission (*Commissie voor het Bank-en Financiewezen/Commission bancaire et financière*) pursuant to Article 18 of the Belgian Law of 22 April 2003 on the public offering of securities (the “*Belgian Law on Public Offerings*”), nor has this Offering Circular been, or will it be, approved by the Belgian Banking and Finance Commission pursuant to Article 14 of the Belgian Law on Public Offerings. Each Dealer has represented and agreed that it has not taken, and will not take, any action in relation to the Notes, or this Offering Circular or any other offering material in respect of the Notes, that would constitute, or could result in, a public offering of the Notes in Belgium under the provisions of the Belgian Law on Public Offerings and the Royal Decree of 7 July 1999 on the public character of financial transactions, as amended, or an offering or sale of the Notes in Belgium to consumers as defined in the Law of 14 July 1991 on trade practices and consumer protection.

Luxembourg

Each Dealer has agreed that it has not offered or sold and will not offer or sell any of the Notes in Luxembourg, other than in circumstances which do not constitute a public offering under Luxembourg laws and regulations.

The Notes may not be offered or sold to the public in or from Luxembourg unless the requirements of Luxembourg laws and regulations for the public offering of securities have been met.

Denmark

Each Dealer has represented and agreed that it has not offered or sold and will not offer, sell or deliver any of the Notes directly or indirectly in Denmark by way of public offer, unless in compliance with the Danish Act no. 1072 of 20 December 1995 on Trading in Securities as amended and Executive Orders issued thereunder.

Kingdom of Norway

No offering material relating to the Notes has been or will be approved by the Oslo Stock Exchange. Accordingly, each Dealer has represented and agreed that it has not offered or sold and will not offer or sell any Notes directly or indirectly in the Kingdom of Norway or to residents of the Kingdom of Norway and that it has not distributed and will not distribute any offering material relating to the Notes in or from the Kingdom of Norway.

General

Selling restrictions may be modified by the agreement of the Issuer, the Guarantor and the Dealers following a change in, or in the interpretation or application of, a relevant law, regulation or directive. Any such modification will be set out in the Pricing Supplement issued in respect of the issue of Notes to which it relates or in a supplement to this Offering Circular.

Each of the Dealers, the Issuer and the Guarantor has agreed not to take any action in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of this Offering Circular or any other offering material, in any country or jurisdiction where action for that purpose is required.

Each of the Dealers has agreed to comply, to the best of its knowledge and belief, with all relevant securities laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes this Offering Circular or any other offering material, in all cases at its own expense.

Issue of [Aggregate Nominal Amount of Tranche] [Title of Notes]

**Guaranteed by FORTIS BANK nv-sa
under the U.S.\$3,000,000,000
Euro Medium Term Note Programme**

This document constitutes the Pricing Supplement relating to the issue of Notes described herein. Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Offering Circular dated 5 September 2003. This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with such Offering Circular.

The following alternative language applies if the first tranche of an issue which is being increased was issued under an Offering Circular with an earlier date.

[Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the “Conditions”) set forth in the Offering Circular dated [original date]. This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with the Offering Circular dated [current date] [and the supplemental Offering Circular dated [●], save in respect of the Conditions which are extracted from the Offering Circular dated [original date] and are attached hereto.]

This Pricing Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Pricing Supplement in any jurisdiction where such action is required.

[Risk Warning (1)]

Investment in the Notes is directed at sophisticated investors who are conversant with the considerable risks involved in credit derivatives, who are willing to assume such risks, and who can absorb a partial or complete loss of principal and interest. The Notes carry various risks including, without limitation, the insolvency risk of the Issuer and the Guarantor and the insolvency, payment default and credit risk of the Reference Entities. There may be little or no secondary market for the Notes.

If a Credit Event (as defined in Appendix A) occurs, the principal amount of the Notes will be reduced in accordance with the provisions hereof and of Appendix A. Accordingly, the amount payable to investors on redemption may be substantially less than the initial principal amount of the Notes, and may even be zero. Consequently, you should not consider purchasing these Notes without taking detailed advice from a specialised professional adviser.]

(1) to be inserted in the case of an issuance of Credit-linked Notes.

[In connection with this issue, [name of Stabilising Manager] (or any person acting for [name of Stabilising Manager]) may over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no obligation on [name of Stabilising Manager] (or any agent of [name of Stabilising Manager]) to do this. Such stabilising, if commenced, may be discontinued at any time. Such stabilising shall be in compliance with all applicable laws, regulations and rules.]
